TC 1700

Reconsideration of this application is respectfully requested.

This Amendment is being submitted to correct a typographical error.

Amended claim 6 has been revised. As presented in the last amendment, the claim did not include the limitations defining R^1 , R^2 , and n . This error is rectified by this amendment in which claim 6 is revised to incorporate the definition of these features.

An early and favorable action on this application is earnestly solicited.

Respectfully submitted,

S. Peter Ludwig
